We believe that Rolestown Kilsallaghan and St Margaret's (electoral division of Dubber and Kilsallaghan) firmly belong in constituency of Dublin Fingal along with all of Swords. We are close St to Swords we want to remain with Swords When we were affiliate with Dublin West we really had in effect no "Local representative "as we were in limbo a a mino in an ocean of Dublin west.

We knew none of our representatives on a personal level.

In swords we can easily meet and talk to our local politicians.

They recognise and know our issues/ anxieties .

All of Swords including the environs of Rolestown St Margaret's and Kilsallaghan must remain united within the constituency of Dublin Fingal so that we can be truly represented.

Yours faithfully
