

Sub 16/075

To whom it concerns,

I would like to appeal to you to return my home area of south Mayo to the Mayo constituency from Galway West. I do not feel that the people of south Mayo are adequately represented under Galway West. It felt very strange at the time of election, living and working in Mayo - reading Mayo election publications, newspapers etc and realising that Mayo, in this circumstance, was out of bounds.

Yours truly,
Deirdre Coleman.
