Dear Sir/ Madam,

I wish to express our opinion regarding the transfer of part of south Mayo constituency to Galway west. Formerly this was part of the Claremorris municipal district. We, the voters in this area are very unhappy with that change. It was grossly unfair to move John O'Mahoney to Galway west area. Mr. O'Cuiv opened an office for a brief interlude in Ballinrobe, but soon learned that he was persona non gratis in our area. Two other T.D.'s , namely Hildegard Naughton, Sean Kyne, are conspicuous by their absence!!! We resent having to travel to Galway city for representation. Incidentally the city has sufficient voters now, and is not dependent on was is an unfair and disastrous redrawing of the constituency boundaries. Please restore the Mayo 5 seat constituency. This is the considered opinion of the Conway family, Eamon. Josephine, Ruth and Miriam.
Yours faithfully, Josephine Conway.
