Dear Secretary,

On behalf of my family I wish to make a submission to the Constituency Commission. As people living in Rathilly I would like to communicate to you our strongly held view that as Carlow people we should be entitled to vote for a Carlow Candidate in any election. As you are clearly aware Carlow is the 2nd smallest County in Ireland and as such nobody should reduce it any further. No Wicklow candidate has ever sought our support in any election which proves a lack of interest on their part in our County.

Please allow us to vote for a Carlow candidate who will represent us in Dail Eireann.

Yours Sincerely
John Kehoe
