Submission Re Dublin West Constituency Boundary.

Dear Commissioner,

I would like to make the following submission in relation to Dublin West. The redrawing of the constituency boundaries in 2012 resulted in the Navan Road area becoming part of a new 4 seater Constituency replacing the old 3 seat Dublin West Constituency. This provided balance in terms of representation, geography and in the main local government. I would therefore suggest that the boundaries be maintained.

Sincerely,  
PJ Lennon.
