To whom it may concern,

I am writing to you about the current boundaries for Ballinhassig in regards to being divided for Dail elections. I have been a resident of Ballinhassig my entire life and cannot understand why our community is divided. To me this is illogical. I believe Ballygarvan, Templemichael and Dunderrow should be united with the rest of Ballinhassig under Cork South West. Looking forward to hearing your views on this situation.

Regards,
Deirdre Coakley
