

Dear Secretary,

I would like to make a submission regarding my constituency of Dublin North West and ask that the current boundary be maintained and even expanded slightly to include small areas of Glasnevin, including; Glasnevin Woods, Glasnevin Court, Claremont and The Willows into the constituency.

I would also like to point out the fact that there are several major residential development projects in the works in Dublin North West including;

Whitehall land- 358 Apartments

Smurfit site - 119 residential units

Glasanon Road site – 18 apartments

Laurence Lands site – 640 residential units

Prospect Hill site – 211 residential units

Heathfield site - 351 residential units

These developments open the possibility to more people moving into the area. This, and the fact that the constituency was the fastest growing constituency in the country in the last Census, could possibly lead to the constituency becoming underrepresented in the next Dáil. Therefore, I would like it noted that with any expansion made to Dublin North West that an extra seat is added to turn it from a 3 seat to a 4 seat constituency in the next General Election.

Kind regards,
Eoin O'Liathain
