Sub 16/292

Dear Sir/Madam

Re:- Submission re Constituency Boundaries - Sligo, Leitrim, South Donegal and West Cavan

We agree with the submission submitted by Deputy MacSharry but would like to add the following:-

That, any revision of constituency boundaries allow for positive discrimination in favour of areas/counties of greater need so as to retain, and, if not, to increase representation for the deprived constituencies.

Thanking you for this opportunity.

Yours faithfully

Marian Moore
