A chara

As a TD for the constituency of Dublin Fingal I request in the strongest possible terms that Swords be retained in its entirety for electoral purposes (including Rolestown, Kilsallaghan and St Margarets). As the capital of Fingal it is imperative that this growing town remain with the constituency of Fingal.

It is important to the people of Swords that their town and its boundaries are respected and it is essential to ensure effective representation for this fast growing town and its people.
