

A chara

I wish to make a submission in regard to the Current Louth Constituency.

As a long time resident in East Meath, I have found it has been of absolutely no benefit to the East Meath and Southern Environs of Drogheda to have removed this area from the Meath Constituency and put it into Louth.

As a Meath County Councillor in the Laytown/Bettystown area I have spoken to many of the residents about having their Leinster House representatives in the Louth constituency and they are not happy with the situation as it stands. Their preference would be to have both local and GE representatives in the one area. Falling between two stools is not working.

I would strongly urge the commission to return East Meath and the Meath area of Drogheda back to its original constituency.

Is mise Le meas
