

Dear Sir/Madam,

As a resident of Drumcondra / Glasnevin, I ask the constituency commission to consider returning our area to the Dublin Central Constituency as it has been in the past. Our residents groups have found that since the change, we are not connected with the public reps working in the city area and we are separated from those representing nearby neighbourhoods in Shandon, Phibsborough, Mountjoy and the Croke Park area. The Electoral districts which were previously part of Dublin Central but which are now in Dublin North West include.

Botanic A, Botanic B, Botanic C and Drumcondra South C.

Regards

Brian Williams
