

To: Constituency Commission

As a resident, I believe Ashtown is now better served by being part of Dublin West and would like us to remain here. Switching us back to the Dublin Central constituency would confuse residents and I do not believe it is the right course of action for a new suburb which neighbours Castleknock.

On a map it looks like Ashtown and Phoenix Park should remain within Dublin West, and I would hope the Commission will not create confusion here.

Ashtown exists within the Fingal County Council area and its continued existence in Dublin West makes sense.

It is also in the postcode of Dublin 15.

It is also in the civil parish of Castleknock.

All of these things mean it is better placed in Dublin West.
